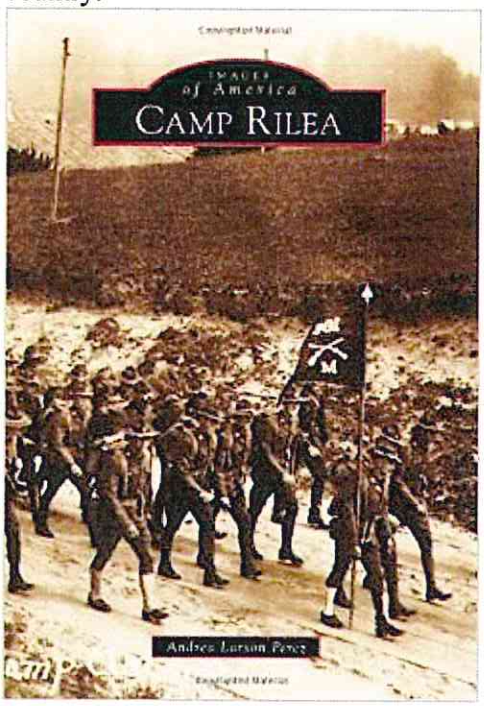
LIBRARY

Scavenger Hunt! Scavenger Hunt! Tuesday, February 3, 2015 at 3:30 p.m. Teen Tuesday is searching for treasure at the Pirate Scavenger Hunt and thar be doubloon's a plenty squirreled away in yonder library. The map for said treasure is safely ensconced in the hollowed out peg leg of our Youth Services Librarian and she will keep it safe from the teenage hordes.

Oh My, it's Preschool Storytime and here's some food for thought—There's letters that are hard to learn—And some we like a lot—But if I'm being honest--The one that's really twee—Has lines all straight and simple like—Why it's the Letter "E".

Wednesday, February 4, 2015 at 10:00 a.m. we present the alphabet series at Preschool Storytime. On Thursday, February 5, 2015 at 7:00 p.m. you can learn "The History of Camp Rilea" with author Andrea Larson Perez.

Andrea will tell the fascinating story of the base from its founding in 1927 as Camp Clatsop to the present day. Since the time of Brigadier General Thomas Rilea in 1931, the camp has provided training and support for our armed forces that has been crucial to the security of our country.



CONVENTION CENTER

The convention center was host to the Project Homeless Connect on January 29, 2015. The convention center is scheduled to host the Miss Clatsop County Pageant from January 30-31, 2015.

POLICE DEPARTMENT

Corporal Jeff Oja has resigned his police officer position to pursue a career with Clatsop County Parole and Probation. Corporal Oja has served this community since March 2008 when he started as a patrol officer. Corporal Oja was assigned as a detective during his tenure with the Seaside Police Department and he has worked on many serious felony cases, including the investigation and arrest of a double homicide suspect in 2012. Corporal Oja has been a valued member of the department and he will be missed. We wish him the best of luck as he starts his career as a parole and probation officer.

Big Loser Challenge Update!

Our teams are in place and things are getting tense!

This year, the City of Seaside has three teams in competition at the Big Loser challenge put on by Sunset Empire Parks & Recreation. Our teams include staff from the Police Dept. (A Losing Combination), Fire Dept. & Public Works (Waisted Away), and City Hall (City Lites). As of the last weigh in, A Losing Combination was in the lead!

Results will be announced the end of February/beginning of March!

HOW TO TELL IF YOU NEED A Sugar DETOX ?

- ☐ Do you often need to eat something sweet after meals? Or as a reward after training?
- ☐ Do you cave into sweets, despite telling yourself you'll be good?
- ☐ Do you struggle to stop at just one biscuit or piece of chocolate?
- ☐ Is it hard for you to imagine not eating breakfast cereal, bread, pasta, potatoes or rice most days?
- ☐ Do your energy levels crash in the afternoon?
- ☐ Are you able to lose body fat everywhere else, but struggle to lose it off your tummy?
- ☐ Do you get irritable, foggy and moody if you don't eat every couple of hours?

If you answered "YES" to any of these questions, then chances are you would benefit from a SUGAR DETOX

NEWS RELEASE

Seaside PD prepares for seat-belt enforcement blitz

Seaside, Ore. – Jan. 23, 2015 – Oregon law enforcement agencies are teaming up across the State February 9-22 to put extra police officers on the road to specifically look for traffic violations. Patrol officers will be looking for seat belt and child restraint violations, using mobile devices (Cell phones) without a hands free device and speed violators.

In the 100-car surveys conducted in 2014, Seaside officers found 99% of drivers are buckling up. The goal remains to have 100% of all occupants buckling up.

Statewide, among those killed or injured were 938 child passengers under the age of eight, and a third of those were riding unrestrained or in the wrong type of safety restraint for their size. Child seats reduce the likelihood of infants under one being killed in a crash by 71 percent, and the fatal risk for toddlers age one to four by 54 percent, and 58 percent for infants and toddlers in SUVs, pickups and vans.

Oregon law requires children less than 40 pounds be restrained in a child seat. Children under the age of one or weighing less than twenty pounds must be restrained in a rear-facing child seat. A child over forty pounds must be restrained in either a child seat or a booster seat appropriate for their size until they reach age of eight or are four-feet, nine inches tall and the adult restraint system fits them correctly.

A couple rules of thumb: is the restraint going across the child's waist and NOT the abdominal area. In the event of a crash, you want the restraint to hold the child in their seat and not cut into their internal organs. Is the restraint going across the child's shoulder and NOT on their neck. We look to see if the child is elevated in the booster to the level of being able to see out the side window to give us an idea they are in a proper booster for their size.

SOUTH COUNTY
COMMUNITY FOOD BANK

"A food pantry"

Dear Community Supporter

Imagine our community without HUNGER! We can and we believe you can too! Please join our community wide effort to replace our food pantry building and establish a sustainable community based funding source for our essential services.

For over 30 years the South County Community Food Bank has faithfully served our most vulnerable members. Currently, with the help of 70 volunteers we handle over 250,000 lbs. of food and serve over 12,000 children, parents, adults and seniors annually, all for the cause of helping to eradicate the hunger our neighbor's are experiencing.

Through the generosity of the Seaside Moose and hundreds of volunteers we have been able to serve our community, however, the Moose building has been sold and our building demolished. Knowing this was coming, the Board and other volunteers worked hard to secure land and a building to replace our food pantry. The Bank of the Pacific was generous in the sales price of a good piece of land, north of the school district's bus barn, and the School District stepped forward with the donation of the portable classrooms from the closure of Cannon Beach Elementary School. Again the Bank of the Pacific made available a temporary site, the CRM building just south of our new location, free of rent during our transition period.

The total project is just over $300,000. To date we have been able to secure pledges of $110,000 in "in-kind" services and donations and raised $65,000 cash. Smiles! That gives us a goal of $125,000 to complete this most important project. We are writing grants and asking our community to be part of the solution. Not just make a donation but become engaged and be active in creating an environment that will eliminate hunger in our community.

Volunteer, host an event, go to an event, BE an event, make a donation or include a bequest in your will and leave a lasting legacy. Let your imagination go...invest your precious time, talents and treasure.

We will recognize everybody's contribution and do it through art. Bill Lutz will do a mural at our new location. Check out our Imagine Tree for ways you can get involved.

Mail in your ideas and donations to P O Box, 602, Seaside, Oregon 97138. Drop by our interim facility at 1725 N. Roosevelt Drive or call 503-738-9800.

From the Board of Directors, we are sincerely grateful to you and our entire community!
Neal Wallace, Jim and Maureen Casterline, Nicolle Landwehr, Allan Evans, Becky Buck, Chuck Miner, Larry Popkins and Mary Blake, smiles
