

## **EXAMPLE CONDITIONS ROUTINELY APPLIED TO VACATION RENTAL DWELLINGS**

The conditions of approval are as follows:

- 1. Compliance Inspection:** The proposed vacation rental dwelling (VRD) must pass a compliance inspection conducted by the Community Development Department prior to any transient rental. This inspection will verify compliance with all VRD standards and conditions of approval and the applicant is hereby advised that failure to meet certain standards can result in a reduction in the maximum occupancy. The final occupancy will be noted in land use file (**12-000VRD**) and reflected on the City of Seaside Business License. The license is not valid until the appropriate occupancy has been established by the approval of a final compliance inspection by the Community Development Department.
- 2. Parking spaces: THREE (3) off-street parking spaces (9' X 18' per space) are required on site.** These spaces shall be permanently maintained and available on-site for use by the vacation rental occupants. Vacation Rental Dwelling (VRD) tenants are required to park in the spaces provided on site for the VRD. No on-street parking associated with this VRD is allowed at this location. Vehicles parked at VRDs may not project over the sidewalk and block pedestrian traffic. A parking map shall be posted inside the dwelling for the VRD tenants.
- 3. Maximum number of occupants: NINE (9) persons over the age of three years.** The maximum occupancy, along with good neighbor rules, shall remain posted inside the front door in a conspicuous place. It is the owner's responsibility to ensure the renters are aware of these limitations. If the number of occupants is less than the original number requested, it may have been reduced for valid code reasons.
- 4. Applicability of Restrictions:** Properties licensed for VRD use will be expected to adhere to the VRD standards and rules throughout the entire year even when they are not being rented for profit. This will not apply to the dwellings when members of the owner's family are present.
- 5. Open Yard Areas:** Front, side, and rear yards must maintain a residential appearance by limiting off street parking within yard areas. At least 50% of each yard area that is not occupied by buildings must be landscaped in some fashion so parking will not dominate the yard.
- 6. Vacation Rentals Management Inc. (000 N. Roosevelt Dr.; Seaside, OR 97138) will be the local manager for the VRD. Jon Doe will be the local contact for the VRD and he can be reached at **503-738-0000** during normal business hours and **503-440-0000** after hours. The contact person must be available 24 hours a day to address compliance issues while the property is rented. Upon any change in the local contact, the owner must provide formal notice of the updated contact information to the City and all of the neighboring property owners within 100'. Managers are encouraged to notify the City any time they stop representing a VRD.**

Local contact information is available at the Community Development Department (503) 738-7100, City Hall (503) 738-5511, or after business hours at the Seaside Police Department (503) 738-6311.

7. **Compatibility:** A VRD will be compatible with the surrounding land uses and shall not contribute to excessive parking congestion on site or along adjacent streets.
8. **Ordinance Compliance & Solid Waste Pick-up:** All vacation rentals must comply with City ordinances regarding noise, smoke, dust, litter, odor, and solid waste collection. Weekly solid waste pick-up is required during all months.
9. **Required Maintenance:** It is the property owner's responsibility to assure that the vacation rental dwelling remains in substantial compliance with Oregon State requirements for the following: Health, Safety, Building, and Fire Codes, Traveler's Accommodation Statutes, and with the Uniform Housing Code. **Owners are hereby advised that Carbon Monoxide detectors must be installed and maintained in all newly established transient rental occupancies.**
10. **Permit Non-transferability:** Vacation rental dwelling permits are personal in nature and accordingly are not transferable. Upon transfer of the property, the new owner, if he or she so desires, may apply for a new permit in accordance with City Ordinance.
11. **Business License, Room Tax Requirements, & Revocation for Non Payment:** A City Business License is required and all transient room tax provisions apply to VRD's. The business license must be obtained prior to any rental of the property. Renewals must be made in January of the permit year. If the business license fee or the transient room tax payments are thirty (30) days past due, the VRD Permit will be revoked unless a written extension is granted by the Finance Director.
12. **Conflicts & Potential Denial for Non Compliance:** Upon receipt of two written complaints from two or more occupants of different residences who claim to be adversely affected by the use of the property as a vacation rental dwelling, or by notice from the City Code Compliance Officer that requirements or conditions of approval are not being met, the Planning Department will work with the parties involved to settle any conflicts. If the problems are not resolved, the permit will be reviewed by the Planning Commission as provided in Subsection 5 of this Section. Failure on the applicant's part to meet the standards or conditions will result in modification or denial of the permit.
13. **Complaints:** Applicants are hereby advised the City Code Compliance Officer routinely follows-up on individual complaints if there is a valid code issue that needs to be addressed by the owner and/or manager of a VRD. Staff does not wait until the occupants of two different residences submit written complaints before they take action to achieve compliance. The VRD complaint procedures are outlined in an attachment to the notice of decision and the forms can also be

accessed on the City of Seaside's web site

<http://www.cityofseaside.us/sites/default/files/docs/VRD-COMPLAINTFORM.pdf> This should be used to report alleged violations that are not being addressed by the local contact or property manager.

- 14. Time Period for Approval, Required Re-inspection:** This VRD approval shall be limited to 5 calendar years unless the dwelling is re-inspected (subject to the applicable fee) for compliance with the VRD policies and ordinances applicable at the time of the re-inspection. Re-inspection notices will be provided to the owners at the time business licenses are issued for the 5<sup>th</sup> calendar year. If the re-inspection is not completed during the 5<sup>th</sup> year, the permit will expire and a new VRD application must be approved prior to obtaining a new business license for the 6<sup>th</sup> calendar year. Compliance with the re-inspection requirements will reauthorize the VRD for an additional 5 calendar years.
- 15. Tsunami Information & Weather Radio:** The owner shall post or otherwise provide a tsunami evacuation map in a conspicuous location within the VRD. In addition, a NOAA weather radio, with automatic alert capabilities, must be permanently affixed in a central part of the VRD along with an informational sheet that summarizes the warning capabilities of the radio in the event of a distant tsunami.
- 16. Grace Period:** If a currently licensed VRD sells to another party, staff is allowed to grant a temporary grace period of not more than 60 days in which current bookings can be cleared without being recognized as a violation. The manager or owner must provide staff with a list of the bookings during the grace period and no additional bookings can be taken during that time.

The aforementioned conditions include the standards applicable to vacation rental dwellings (VRDs) identified in the Seaside Zoning Ordinance and they include specific conditions that are intended to reduce potential impacts to the adjacent properties.

Adherence to these conditions is a matter of compliance with the Seaside Zoning Ordinance. Violations can be subject to the penalties identified in Article 12 of the Ordinance.
