**OPENING REMARKS & CONFLICT OF INTEREST/EXPARTE CONTACT:** Chair Horning asked if there was anyone present who felt the Commission lacked the authority to hear any of the items on the agenda. There was no response. Chair Horning then asked if any of the Commissioners wished to declare a conflict of interest or exparte contact. There was no response.

**APPROVAL OF MINUTES:** Motion to approve the January 3, 2012 minutes;  
Commissioner Ridout made a motion to approve the minutes with the corrections that Commissioner Hoth requested regarding relocating the tree instead of removing it. Commissioner Carpenter seconded the motion was carried unanimously.

**PUBLIC HEARING REQUIREMENTS:**

The following public hearing statements were read by Chair Horning:

1. The applicable substantive criteria for the hearing items are listed in the staff report(s) prepared for this hearing.
2. Testimony and evidence shall be directed toward the substantive criteria listed in the staff report(s) or other criteria in the plan or land use regulation, which you believe applies to the decision.
3. Failure to raise an issue accompanied by statements or evidence sufficient to afford the decision maker and the parties an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals on that issue.
4. The applicant will testify first, then any opposition will testify, and then the applicant will be given time for rebuttal.

**PUBLIC HEARING:**

**A.)** 12-002VRD is a request by Carol & Eugene Pomeroy for a **Three** (3) bedroom Vacation Rental Dwelling within the Residential High Density (R-3) zone. The property is located at **662 Necanicum**.

Kevin Cupples, City Planning Director, presented a staff report, reviewing the request, decision criteria findings, conditions and conclusions.

Chair Horning asked if there was anyone who would like to offer testimony in favor of the request. Eugene Pomeroy, 18903 Boynton, Oregon City OR. They purchased the property November 1<sup>st</sup> and would like to have it as a vacation rental when they are not using it.

Chair Horning asked if there was anyone else who would like to offer testimony in favor of the request. Erin Barker, Beach House Vacation Homes. Erin stated that this was a vacation rental with the last owners.

Chair Horning asked if there was anyone who would like to offer testimony in opposition. There was no response.

Chair Horning closed the public hearing and the issue was opened for Commission discussion.

Commissioner Ridout asked being as this is a duplex do the Pomeroy's own both sides. Mr. Pomeroy stated that they only own half of the duplex. Commissioner Ridout asked what the use of the other unit is. Erin Barker stated that it is a vacation rental now and she manages it and it is up for sale. Commissioner Ridout stated that the only thing that bothers him is the parking. He doesn't like the way it's stacked. Mr. Cupples stated that it has been allowed and they will probably have to move cars around but if they are smart they will park the vehicle that will be used the most closet to the road.

Commissioner Hoth stated that it is a legitimate concern, but Erin will have the renters straightened out beforehand. Commissioner Dideum said that she has the same concerns. Erin stated that she does go over the parking requirements with the guests.

Commissioner Romine stated that we have a complaint driven process in place and then when someone does complain we can deal with the issue, if one does arrive. Erin stated that they tell the guests that if there is any violation that they can and will be asked to leave with forfeiture of all deposit and rents.

Chair Horning asked being as this was a vacation rental before, was it rented with a nine person occupancy at that time and were there any complaints? Mr. Cupples stated that Glenn isn't here at this time but he's pretty sure there were no complaints.

Mr. Pomeroy asked if he or Erin will be notified of the complaints. Mr. Cupples stated that the property manager is the one who should or will be notified.

Commissioner Ridout stated that on the staff report #11 isn't entirely correct, which states that a carbon monoxide detector is required in all rental units. Mr. Cupples stated that Commissioner Ridout is probably correct that carbon monoxide detectors are required only if there is a source, but he'll check with the building official.

Commissioner Ridout made a motion to approve the VRD under the guidelines that staff has presented. Commissioner Carpenter seconded and the motion was carried unanimously.

**ORDINANCE ADMINISTRATION: Elections of Officers:** Commissioner Hoth stated that the current elected officials have been doing an exemplary job and would love to see them continue in their current positions with Tom Horning continuing as Chair and Ray Romine continuing as Vice Chair. Commissioner Carpenter closed the nominations. Mr. Cupples stated that the nominations are now closed. The motion was carried unanimously to keep Tom Horning as Chair and Ray Romine as Vice Chair.

**COMMENTS FROM THE PUBLIC:** Erin Barker said that Bob Mitchell sent her something that stated that if you have a CO2 source then that is when you need to have the carbon monoxide detector. But then something else came out that said all rental units need one so they have been putting them in all rentals. But it's still unclear.

**COMMENTS FROM COMMISSION/STAFF:** Mr. Cupples wanted to introduce Joe Otts he is the R.A.R.E participant. He is working on a number of public tasks: the Food Bank relocation, the Foredune Management Plan, the Tsunami Barrels assigned to homes and the Natural History Park. Commissioner Carpenter asked if the planning commission will see the Foredune Management Plan. Mr. Cupples stated that yes, probably sometime in March. Chair Horning stated that he has worked with Joe on a few projects and he stated he's a good man. Commissioner Ridout asked what R.A.R.E stands for. Mr. Cupples stated that it means Resource Assistance for Rural Environments. It's a program where the University of Oregon invites students that are usually graduate level students or people who are going to go on in education, to apply for their position it's like getting work experience in the field, and providing that educational resource to small communities and they are used extensively throughout the state. Prior to Joe coming here we had Darcy Connor who was here in 2002. She worked on the downtown parking project, and this is being brought back up again. We had Darcy on not just for R.A.R.E student but we also kept her on because a grant came up and that was our first outreach grant for tsunami education.

**ADJOURNMENT:** Adjourned at 7.45 pm.

## CITY OF SEASIDE STAFF REPORT

**To:** Seaside Planning Commission  
**From:** Administrative Assistant, Debbie Kenyon  
**Date:** March 6, 2012  
**Applicant:** Amit & Suman Goel  
5361 NW Primino Ave  
Portland, OR 97229  
**Owner:** Amit & Suman Goel  
**Location:** 646 Necanicum, T6-R10-S 16DD TL#04603  
**Subject:** Conditional Use 12-004VRD; Vacation Rental Dwelling Permit

---

### **REQUEST:**

The applicant is requesting a conditional use that will allow the establishment of a Vacation Rental Dwelling (VRD) at **646 Necanicum**. The subject property is zoned **High Density Residential (R-3)** and the **applicant is** requesting a maximum occupancy of **nine (9)** within the existing **three** bedroom dwelling.

The review will be conducted in accordance with Article 6 and Article 10 of the Seaside Zoning Ordinance which establishes the review criteria and procedures for a Conditional Use. The specific review criterion for Vacation Rental Dwellings is included in Section 6.137 of the Ordinance.

### **DECISION CRITERIA, FINDINGS AND CONCLUSIONS:**

The following is a list of the decision criteria applicable to the request. Each of the criteria is followed by findings or justification statements which may be adopted by the Planning Commission to support their conclusions. The Commission may include conditions which they consider necessary to protect the best interests of the surrounding area of the city as a whole. Although each of the findings or justification statements specifically applies to one of the decision criteria, any of the statements may be used to support the Commission's final decision.

**DECISION CRITERIA # 1:** Pursuant to Section 6.137, Vacation Rental Dwellings (VRDs) within the R-2 and R-3 zones shall be reviewed by the Planning Commission whenever the surrounding VRD density is 20% or greater. A permit shall be issued as an accessory use provided the applicant can demonstrate by written application that all of the following standards are met:

- A. Parking.** One 9' x 18' off-street space will be provided for each bedroom in the unit, but in no event shall fewer than two spaces be provided.
- B. Number of Occupants.** The maximum number of occupants cannot exceed three persons (over the age of three) per bedroom. The maximum

occupancy, along with good neighbor rules, shall remain posted inside the front door in a conspicuous place. It is the owner's responsibility to ensure the renters are aware of these limitations.

The number of overnight renters or the maximum number of occupants may be reduced by the Code Enforcement Officer or Fire Marshal at the time of inspection for valid code reasons.

C. Residential yard areas. Front, side, and rear yards must maintain a residential appearance by limiting off street parking within yard areas. At least 50% of each yard area which is not occupied by buildings must be landscaped in some fashion so that parking will not dominate the yard.

D. Local responsible party. A local responsible party that permanently resides within the County must be identified by the owner. The responsible party will serve as an initial contact person if there are questions regarding the operation of the VRD. The owner shall provide the telephone number of the local contact person to the City, and to the immediate neighbors within the notification area (within 100' of the subject property).

E. Spatial distribution requirements. Within the medium density residential (R-2) zones and high density residential (R-3) zones, not more than 20% of the properties within 100' of the subject property can be currently licensed for VRD use without Planning Commission review based on the following additional criteria:

A. The use of the property as a VRD will be compatible with the surrounding land uses.

B. The VRD will not contribute to excessive parking congestion on site or along adjacent streets.

A decision by the Commission to approve a VRD request may include conditions that would restrict the number of renters or total occupants in the VRD.

#### **FINDINGS & JUSTIFICATION STATEMENTS:**

1. The applicant is requesting a conditional use that will allow the establishment of a Vacation Rental Dwelling (VRD) at **646 Necanicum**. The subject property is zoned **High Density Residential (R-3)** and the applicant is requesting a maximum occupancy of **nine (9)** within the existing **three** bedroom dwelling.

The applicant's submitted justification is adopted by reference and summarized below:

- a. The applicant's plot plan indicates there are **three** off-street parking spaces that are available on the site. **One inside the garage and two stacked in front of the garage.**
- b. The existing **three** bedroom residence will have a limited occupancy of **nine people**.
- c. The plot plan shows that parking will not take up more than 50% of the front, side or rear yard areas.

- d. **Oceanside Vacation Rentals (43 N Holladay, Seaside OR 97138)** will be the local manager for the VRD. **Sharon Rauwolf** will be the local contact and she can be reached at **(503) 738-7767**.
  - e. The owner/applicants, **Amit & Suman Goel** have read all of the standards and conditions applicable to VRDs.
2. The proposed VRD is located within a developed residential neighborhood primarily consisting of single family dwellings. Currently **40%** of the surrounding dwellings are licensed for VRD use and all of the property is zoned **High Density Residential (R-3)**.
  3. All property owners within 100 feet of the subject property were notified of the applicant's request. The Community Development Department **has not** received written comments about the applicant's request.
  4. The proposed use is located within the tsunami inundation zone identified by the State of Oregon.
  5. The City of Seaside Planning Commission adopted a list of policies and a uniform list of conditions they believed should be incorporated into the vacation rental dwelling review process. These were reviewed with the City Council prior to adoption and they are consistent with the provision in Section 6.031 which in part states: "...the Planning Commission may impose, in addition to those standards and requirements expressly specified by this Ordinance, additional conditions which the Planning Commission considers necessary to protect the best interest of the surrounding area of the city as a whole."

#### **CONCLUSION TO CRITERIA #1:**

The Vacation Rental Dwelling requirements have been adequately addressed by the applicant and the request can be approved subject to the following list of special and standard conditions of approval:

1. **Compliance Inspection:** The proposed vacation rental dwelling (VRD) must pass a compliance inspection conducted by the Community Development Department prior to any transient rental. This inspection will verify compliance with all VRD standards and conditions of approval and the applicant is hereby advised that failure to meet certain standards can result in a reduction in the maximum occupancy. The final occupancy will be noted in land use file **(12-004 VRD)** and reflected on the City of Seaside Business License. The license is not valid until the appropriate occupancy has been established by the approval of a final compliance inspection by the Community Development Department.
2. **Parking spaces: THREE (3) off-street parking spaces (9' X 18' per space) are required on site.** These spaces shall be permanently maintained and available on-site for use by the vacation rental occupants. Vacation Rental Dwelling (VRD) tenants are required to park in the spaces provided on site for the VRD. No on-street parking associated with this VRD is allowed at this location. Vehicles parked at VRDs may not project over the sidewalk and block pedestrian traffic. A parking map shall be posted inside the dwelling for the VRD tenants.

3. **Maximum number of occupants:** NINE (9) persons over the age of three years. The maximum occupancy, along with good neighbor rules, shall remain posted inside the front door in a conspicuous place. It is the owner's responsibility to ensure the renters are aware of these limitations. If the number of occupants is less than the original number requested, it may have been reduced for valid code reasons.
4. **Applicability of Restrictions:** Properties licensed for VRD use will be expected to adhere to the VRD standards and rules throughout the entire year even when they are not being rented for profit. This will not apply to the dwellings when members of the owner's family are present.
5. **Open Yard Areas:** Front, side, and rear yards must maintain a residential appearance by limiting off street parking within yard areas. At least 50% of each yard area that is not occupied by buildings must be landscaped in some fashion so parking will not dominate the yard.
6. **Oceanside Vacation Rentals (43 N Holladay, Seaside, OR 97138) will be the local manager for the VRD.** Sharon Rauwolf will be the local contact for the VRD and she can be reached at (503) 738-7767 during normal business hours and 503-440-2164 after hours. The alternative after hours contact is Katie at (503) 739-2807. The contact person must be available 24 hours a day to address compliance issues while the property is rented. Upon any change in the local contact, the owner must provide formal notice of the updated contact information to the City and all of the neighboring property owners within 100'. Managers are encouraged to notify the City any time they stop representing a VRD.

Local contact information is available at the Community Development Department (503) 738-7100, City Hall (503) 738-5511, or after business hours at the Seaside Police Department (503) 738-6311.

7. **Compatibility:** A VRD will be compatible with the surrounding land uses and shall not contribute to excessive parking congestion on site or along adjacent streets.
8. **Ordinance Compliance & Solid Waste Pick-up:** All vacation rentals must comply with City ordinances regarding noise, smoke, dust, litter, odor, and solid waste collection. Weekly solid waste pick-up is required during all months.
9. **Required Maintenance:** It is the property owner's responsibility to assure that the vacation rental dwelling remains in substantial compliance with Oregon State requirements for the following: Health, Safety, Building, and Fire Codes, Traveler's Accommodation Statutes, and with the Uniform Housing Code. **Owners are hereby advised that Carbon Monoxide detectors must be installed and maintained in all newly established transient rental occupancies.**
10. **Permit Non-transferability:** Vacation rental dwelling permits are personal in nature and accordingly are not transferable. Upon transfer of the property, the new owner, if he or she so desires, may apply for a new permit in accordance with City Ordinance.

- 11. Business License, Room Tax Requirements, & Revocation for Non Payment:** A City Business License is required and all transient room tax provisions apply to VRD's. The business license must be obtained prior to any rental of the property. Renewals must be made in January of the permit year. If the business license fee or the transient room tax payments are thirty (30) days past due, the VRD Permit will be revoked unless a written extension is granted by the Finance Director.
- 12. Conflicts & Potential Denial for Non Compliance:** Upon receipt of two written complaints from two or more occupants of different residences who claim to be adversely affected by the use of the property as a vacation rental dwelling, or by notice from the City Code Compliance Officer that requirements or conditions of approval are not being met, the Planning Department will work with the parties involved to settle any conflicts. If the problems are not resolved, the permit will be reviewed by the Planning Commission as provided in Subsection 5 of this Section. Failure on the applicant's part to meet the standards or conditions will result in modification or denial of the permit.
- 13. Complaints:** Applicants are hereby advised the City Code Compliance Officer routinely follows-up on individual complaints if there is a valid code issue that needs to be addressed by the owner and/or manager of a VRD. Staff does not wait until the occupants of two different residences submit written complaints before they take action to achieve compliance. The VRD complaint procedures are outlined in an attachment to the notice of decision and the forms can also be accessed on the City of Seaside's web site <http://www.cityofseaside.us/sites/default/files/docs/VRD-COMPLAINTFORM.pdf> This should be used to report alleged violations that are not being addressed by the local contact or property manager.
- 14. Time Period for Approval, Required Re-inspection:** This VRD approval shall be limited to 5 calendar years unless the dwelling is re-inspected (subject to the applicable fee) for compliance with the VRD policies and ordinances applicable at the time of the re-inspection. Re-inspection notices will be provided to the owners at the time business licenses are issued for the 5<sup>th</sup> calendar year. If the re-inspection is not completed during the 5<sup>th</sup> year, the permit will expire and a new VRD application must be approved prior to obtaining a new business license for the 6<sup>th</sup> calendar year. Compliance with the re-inspection requirements will reauthorize the VRD for an additional 5 calendar years.
- 15. Tsunami Information & Weather Radio:** The owner shall post or otherwise provide a tsunami evacuation map in a conspicuous location within the VRD. In addition, a NOAA weather radio, with automatic alert capabilities, must be permanently affixed in a central part of the VRD along with an informational sheet that summarizes the warning capabilities of the radio in the event of a distant tsunami.
- 16. Grace Period:** If a currently licensed VRD sells to another party, staff is allowed to grant a temporary grace period of not more than 60 days in which current

bookings can be cleared without being recognized as a violation. The manager or owner must provide staff with a list of the bookings during the grace period and no additional bookings can be taken during that time.

### **FINAL STAFF RECOMMENDATION**

Conditionally approve application **12-004VRD** allowing the establishment of a Vacation Rental Dwelling (VRD) with a maximum occupancy of **Nine (9)** at **646 Necanicum**. This decision can be supported by the Commission adopting the findings, justification statements, and conclusions in this report subject to the previously stated conditions.

Although they are not conditions of approval, the following is a list of reminders to applicant.

- This approval will become void one (1) year from the date of decision unless final plans are submitted or an extension of time is approved in the manner prescribed under the Seaside Zoning Ordinance.
- As with any permit, the applicant must meet all applicable standards in the Seaside Zoning Ordinance such as erosion control provisions and any other applicable City of Seaside Ordinances.
