The National Fire Protection Association 1901 “Standard for Automotive Fire Apparatus, Current Edition” has been adopted as part of the bid specifications. This shall be for a “Tractor-Drawn Aerial Quint Fire Apparatus”. Proposals will be evaluated on commitment to delivery, length and terms of warranties, manufacturers’ locations and regional track records for performance, location of post-delivery service and parts, compliance with bid specifications, completeness of the bid, price and information supplied, etc.

The Purchaser reserves the right to accept or reject any or all bids, and to accept the bid deemed to be in the best interest of the Purchaser. The Purchaser is not bound to accept the lowest price submitted. The Bidder whose bid most closely meets the Purchaser’s specifications and demonstrates the qualities desired by the Purchaser shall be chosen as the successful provider.

No bidder may withdraw or modify the bidder’s bid after the hour set for the opening thereof, until after the lapse of 30 days from the bid opening.
