## CITY HALL

### **SEASIDE VISIONING 2034 SURVEY:**

Last November, the City of Seaside and Seaside City Council launched a 20-year visioning project titled, "Seaside 2034: Building a Bridge to our Future." A critical aspect for the early development of this project is to ask all community members to complete a short survey. It should take you no more than 2-3 minutes and provide invaluable assistance to the process: <http://bit.ly/SeasideSurvey>. Please also consider forwarding onto your family and friends. Thank you!

### **Reminder: Monthly Tsunami Warning System Testing in Seaside**

The City of Seaside will test the Tsunami Warning System on Wednesday, March 5, 2014, beginning at 11:00 a.m. This test is conducted to monitor and assess the notification system and will not be used as a public information trial alert. The warning will begin with three beeps and consist of a voice message stating, "This is a test. This is a test of the emergency warning system. This is only a test." The message will be broadcast in English and Spanish.

This test will be conducted the first Wednesday of each month through May 2014.

## POLICE DEPARTMENT

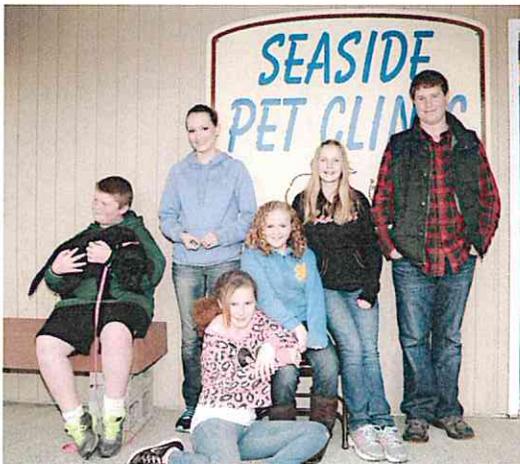

### **RABIES SHOT CLINIC SERVES FORTY-TWO PETS:**

On Saturday February 22, 2014, the Seaside Police Department in partnership with the Seaside Pet Clinic and Paws N' Action 4-H Dog Club provided forty-two Rabies vaccinations during their shot clinic.

The vaccinations were administered by Dr. Robert Remensnyder DVM of the Seaside Pet Clinic with the assistance of Linda Thomas, Christa Beecham, and Mechel Bynoi-Ramos. Also helping make this clinic a big success were the volunteers from Paws N' Action 4-H Dog Club that included Dalton Smith, Sarah Ruscheinsky, Ian Thompson, Ryanne and Sam Sunnell, Celeste and Candice Kerr, Officer Lorna Brandt, and photographer David Carmichael. In addition to the vaccinations, twelve Seaside City Dog licenses were issued. See the attached pictures:

## CONVENTION CENTER

The convention center is scheduled to host the Oregon Festivals and Events Association from March 2-4, 2014.

## LIBRARY

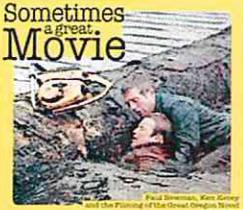

On Saturday, March 6, 2014, at 1:00 p.m. we are offering a Beginning Calligraphy Workshop with local artist Rebeca Read. Calligraphy is back in vogue and this opportunity to learn the skill is a great opportunity to let your artistic flag fly. The class is free and all materials will be provided. Sign-ups are required and the event is limited to 20 people.

The last day of February is here and with it "Our Young Artists Art Show" ends. Some wonderful creative works have been on display and 38 children who participated are to be commended. My favorite is titled "The Circle" by minimalist artist Bryson age 5. The work features a light green circle tastefully off center on the paper. Is this drawing rumination on the universe, or possibly the cycle of life? Or is it just a circle? Only Bryson knows for sure.

Teens are going all “Divergent” on they bad selves this Tuesday, March 4, 2014, at 3:30 p.m. The “Divergent” series is the new “Twilight” and “Hunger Games” and is the happenin thang. Set in a post-apocalyptic, dystopian Chicago, humanity has organized itself into five factions, each with its own core values to uphold. Is this a glimpse of the present or the future? Ummmmmm, dystopian.

#### Take the Walk Across Oregon Challenge!

Starting in March, we will be challenging City staff to put together a team of 2-4 people and see if you have what it takes to "Walk Across Oregon!"

Our goal is 800,000 steps per team in 30 days, the equivalent of 400 miles. This is the approximate distance across the entire state of Oregon.

If you have a team of 4, this would be 6,667 steps each per day for 30 days. For a team of 3, it would be 8,888 steps per day. 2000 steps equals approximately 1 mile.

Finishers will have their name put in a drawing for the grand prize of Nike gift cards. The prize winners will be announced the end of April. Your team will vouch for your participation, and you can use a pedometer to track your steps. Turn your names by April 14th.

Alternative challenge: Limit your daily screen time (TV, Ipad, etc.) Keep track of how much time you watch TV each day for a week and then try to reduce that time by half on the second week. Third week, cut your screen time in half again, and 4th week, maintain the same amount of screen time. Turn in your notes that you used to keep track of your screen time with your name on it to Esther Moberg at the Library or at: [emoberg@cityofseaside.us](mailto:emoberg@cityofseaside.us), by April 14th, to put your name in the drawing for a Subway gift card.

#### 6-MINUTE WORKOUT—During TV Commercial Breaks!
