LIBRARY

“Just when you thought it was safe to go back in the water”, I heard them say, “Huston, we have a problem”, but “frankly, my dear, I don’t give a darn” so “I’m gonna make him an offer he can’t refuse” until he says “all right Mr. DeMille, I’m ready for my close-up.

After all that you can “go ahead, and make my day” because “Toto, I’ve a feeling were not in Kansas anymore” and it’s obvious that “what we got here is a failure to communicate.” Can you guess what’s goin down at Teen Tuesday, on April 26, 2016 at 3:30 p.m.? IT’S MOVIE DAY!!!! Just add some teenagers, a little popcorn, and say “hasta la vista, baby” to the rest of the afternoon.

Ralph Waldo Emerson said, “The creation of a thousand forests is in one acorn”, and Preschool Storytime at 10:00 a.m. and Kinder Storytime at 3:00 p.m. will be all about our friend the tree. Leaf your cares behind, don’t be a sap, root out the car keys, and breeze in to the library on April 27, 2016.

CONVENTION CENTER

Greetings, from the Convention Center staff! Earlier this week, the facility was filled with some of our youngest and liveliest clients – children ages 2 to 5 – for the Northwest Regional Education Service District’s annual Early Childhood Health and Education Clinic. The organizers moved in Monday, April 18, 2016, and the event was held Tuesday, April 19, 2016.

Professionals screened the children in seven different areas – developmental, hearing, school readiness, speech, vision, nutrition, and dental – and made referrals for services and follow-ups as needed. It was fun to have the energy of children permeate the Convention Center for a day!

On Wednesday, April 20, 2016, the Oregon State Elks Convention moved in. Seaside Lodge 1748 is hosting this longstanding Oregon Elks tradition, now in its 99th year. Members are gathering from around the state for fellowship and to learn more about the positive impact the Elks have on their respective communities. About 300 attendees are expected to attend the convention, which runs through Saturday, April 23, 2016.

North Coast Opioid Summit: MOVING COMMUNITIES TO ACTION

THURSDAY, April 28, 2016

8:30 a.m. – 4:30 p.m.

Seaside Civic and Convention Center | Seaside, OR

Register online at www.ORCRM.org

**Prescription drug abuse and misuse kills more
Oregonians than any illegal drug.**

The opioid epidemic demands an effective regional approach that reflects the particular challenges and opportunities that providers, health systems and communities face in the North Coast region of Oregon.

The summit will bring together representatives from: **health care and health care systems, pharmacies, treatment providers, educators, law enforcement, public health, prevention organizations** and others to identify the specific challenges the North Coast.

We will develop a Regional Action Plan to move discussion into action and create momentum for statewide change. The action plans will include strategies to:

1. **REDUCE THE NUMBER OF PILLS IN CIRCULATION** by improving health system practices for pain management
2. **EDUCATE PATIENTS AND THE PUBLIC** on the dangers, safe use and disposal of Rx
3. **BETTER DISPOSAL OF DISUSED PILLS** in medicine cabinets that fuel abuse
4. **EXPAND ACCESS TO TREATMENT SERVICES** for opioid dependence and overdose prevention

Registration fee: \$25.00. Registration includes breakfast, lunch, and materials. Scholarships available for community members. For more information about this event visit www.orcrm.org or if you have any questions, please contact Rebecca Wood at rebeccaw@lineforlife.org or 503-244-5211.
