CITY HALL

SEASIDE 2034 TOWN HALL MEETING:

The City of Seaside will host a town hall meeting on Monday, August 4, 2014, at 5:30 p.m. at the Bob Chisholm Community Center, as it moves closer to wrapping up the 20-year visioning project, "Seaside 2034: Building a Bridge to our Future."

The meeting comes after several months of individual surveys, community meetings based on key topics the public was interested in, and interaction with the Seaside City Council. Facilitating the Town Hall will be Portland-based strategic planning and consulting firm, Corragio Group. Corragio was one of three agencies that submitted a proposal for the project.

"We're extremely excited about the next phase of this project," said Jon Rahl, director of tourism marketing for the city and one of three city employees leading the project. "Corragio is highly qualified and brings with it work done extensively with city, county and state governments up and down the west coast. They offer deep experience in facilitating town halls and similar types of forums that have had as many as 300 participants."

Prior to the town hall, the project team is asking community members to take a short survey. Results of the survey – which asks for input on topics and items that have come up throughout the yearlong process – will be used as the basis for at least a portion of the town hall meeting. The survey is accessible at http://bit.ly/SeasideSurvey or by requesting a paper version at Seaside City Hall.

For more information on the project, please visit cityofseaside.us or send an email to visioning@cityofseaside.us.

Seaside & Cannon Beach Residents Invited To Celebrate 31st Annual National Night Out

The Seaside & Cannon Beach Police Departments invite residents to join them and over 15,000 other communities for National Night Out on Tuesday August 5, 2014. National Night Out promotes a police community partnership; crime, drug, and violence prevention; safety; and neighborhood unity. Over 37 million people throughout the country and our military bases are expected to participate this year. Seaside and Cannon Beach residents have the opportunity be a part of this national event and join their friends and neighbors in celebrating this "31st Annual National Night Out" crime prevention event.

This is the 9th year for this event in Seaside and the first year in Cannon Beach. In Seaside National Night Out will again be held at Broadway Park and Cartwright Park with the Cannon Beach event being held at the City Park at the Chamber of Commerce.

The Rotary Club of Seaside and Seaside Kiwanis will provide free hotdogs, hamburgers, chip, drinks, and a whole lot of fun.

In Seaside, Sunset Park and Recreation will be there providing games for the kids complete with prizes. The Seaside Chamber of Commerce will be furnishing desert and sponsoring numerous prizes throughout the evening.

As Chief Bob Gross explains; "This is your chance to talk with an officer, ask questions, and find out what's going on in your community". Officers will be at each park to provide crime prevention information and provide information about drug activity, identity theft, or any other topics that concern you or your family.

Take this opportunity to spend some time with your friends, meet your neighbors, learn more about crime prevention, and get a free meal. Dinner in Seaside is on us Tuesday August 5, 2014 from 6:00 p.m. to 8:00 p.m. and dinner in Cannon Beach is from 5:00 p.m. to 7:00 p.m. So pick the park closest to you and be a part of National Night Out.
