The Summer Reading Program is in full gear and on Tuesday, June 23, 2015 at 3:00 p.m. we will dive in to the world of “Carnivorous Plants.” Kids of all ages will be amazed by this species of plants that attract, capture, kill, and digest animals and protozoans. Do you think plants tend to be boring everyday things, that are nice to look at, but are not very exciting? If so, carnivorous plants will add a whole unique cool factor to the way you view our green potted friends.

“Teen Tuesday” is back and throwin down with a Ninja Party on Tuesday, June 23, 2015, at 3:00 p.m. Meanwhile, preschoolers can learn all about “The Beach” at Preschool Story Time on Wednesday, June 24, 2015, at 10:00 a.m. And don’t forget our K through 5th grade “Scavenger Hunt” on Thursday, June 25, 2015, at 2:00 p.m. Kids have the opportunity to learn and have fun at the library this summer.

FIRE DEPARTMENT

FIREWORKS SALES:

June 23, 2015, opens the season for fireworks sales in Oregon. Legal fireworks may be purchased only from Oregon permitted fireworks retailers and stands.

The Office of State Fire Marshal has issued more than 740 retail fireworks permits, and 131 display permits. Oregon law forbids possession, use, or sale of fireworks that fly, explode, or travel more than six feet on the ground or 12 inches in the air. Bottle rockets, Roman candles, and firecrackers are ILLEGAL in Oregon. All fireworks are prohibited on all Oregon beaches, in parks, and campgrounds.

Illegal fireworks can be expensive. Under Oregon law, officials may seize illegal fireworks and fine offenders up to \$500 per violation for possession of illegal fireworks and endangering life and property. Offenders may also be arrested. Any fireworks causing damage, or misuse of fireworks carries a liability for the offender, who may be required to pay for resulting fire or other damage. Parents are liable for fireworks-caused damage by their children. Costs may include assessed fines as well as the cost of suppressing fireworks-caused fires.
