SEASIDE VISIONING 2034 SURVEY:

Last November, the City of Seaside and Seaside City Council launched a 20-year visioning project titled, "Seaside 2034: Building a Bridge to our Future." A critical aspect for the early development of this project is to ask all community members to complete a short survey. It should take you no more than 2-3 minutes and provide invaluable assistance to the process: <http://bit.ly/SeasideSurvey>. Please also consider forwarding onto your family and friends. Thank you!

Our theme for the week has been Bugs, Bugs, and that continued on Saturday, June 28, 2014, at our 11:00 a.m., Family Craft Time. Kids and their parents will be making some creepy creatures out of clay and wire that will make your little sister squeal and squirm.

Beginning Tuesday, July 1, 2014, and running through Tuesday, August 26, 2014 the library will host a new art exhibit titled, "The Art of Fly Tying". The show will feature the work, tools, and tackle of local artist Henry Hoffman and tyers of the Rainland Fly Casters.

Three basic flies: dry, wet and streamers will be on display as well as The Spruce Fly, Purple Fish Hawk, and Orange and Black Chicabou Special.

The old Spanish Proverb states, "the belly rules the mind" and said belly will be leading the charge at the Teen Cooking Class on Tuesday, July 1, at 3:00 p.m. The young Julia Childs and James Beards will be throwin down the gauntlet and messing up the kitchen with some recipes fit for a.....king? No librarians will be harmed during this event. Well, hopefully?

Press Release
FIREWORKS
KEEP IT LEGAL! . . .KEEP IT SAFE!

With the 4th of July just around the corner, the Seaside Police and Fire Department are reminding residents and visitors celebrating with fireworks to use only legal "Safe and Sane" fireworks. In 2012, there were 197 fireworks related fires in Oregon that caused an estimated 4.4 million dollars in damage. Last year 38 people were injured by fireworks across the state. More than half of those injured by fireworks are children and 40% injure bystanders.

Oregon law bans fireworks that fly, explode, or act in an uncontrolled manner. Many fireworks purchased by mail order or in the state of Washington are **illegal** in Oregon. This includes bottle rockets, roman candles, firecrackers and M80's. To ensure that you are using legal fireworks, purchase them from a fixed and licensed firework stand or retail outlet.

When using legal fireworks:

- Have a bucket of water or hose nearby to "douse" misfired and spent fireworks and/or extinguish potential fires.
- Use fireworks outside on a paved surface, far away from buildings and bushes.
- Never aim fireworks at people, property, or pets.
- Never alter fireworks or make your own.
- Never pick up or try to re-light a "dud."
- Store fireworks, lighters, and matches out of the reach of children.
- Only adults should handle or light fireworks. Supervise children at all times when using fireworks.

In addition to the safety concerns, individuals using fireworks should know there are laws and penalties relating to fireworks:

- You can be held liable for damages resulting from misuse of fireworks - legal or illegal.
- Parents can be held liable for damage caused by their children
- Under Oregon law, officials can seize illegal fireworks and you can be fined up to \$500 per violation and/or arrested. Seaside City Ordinance 131.11 prohibits the possession or discharge of any firecracker, explosives, torpedoes, rockets, or other similar devices within the ocean shore recreation area (The Beach) and you can be fined up to \$700
- Fire departments can fine you for the cost of extinguishing fires caused by fireworks.

4th of July also brings more people and vehicles to our city so please be extra cautious when driving or crossing streets. Seaside Police will be patrolling the beach and driving throughout neighborhoods on the Fourth of July weekend so don't let your celebration be ruined with a ticket or someone getting hurt. Enjoy your July 4th activities, but *"Keep it Legal...Keep it Safe."*

BEACH DRIVE
BUCCANNERS

The Seaside 4th of July Fireworks show has become one of the best and biggest displays in the northwest. Heroic, iconic, adventurous, magical, and out of this world... that's just a hint of the epic music selection for the 2014 display, you don't want to miss this show!

Many families have made a tradition of coming to the beach to celebrate the holiday, making Independence Day crowds here to see the firework display the "on" switch for the "busy season". Because there is no way to charge an admission fee to the fireworks show, funding is solely from sponsorships and donations. Funds raised cover the cost of the fireworks, sound system, extra port-a-potties, trash removal, security and help needed to set up and tear down the safety area.

If your business, organization or family enjoy the show or benefit from the crowds that come to view the display, the fireworks fund could benefit from your donation.

Join The Seaside Chamber of Commerce, The City of Seaside, The Resort at Seaside and WorldMark by Wyndham to once again "Celebrate Freedom". Select your level of sponsorship, fill in your contact information at the bottom and return to your donation payable to Fireworks Fund, PO Box 7, Seaside, OR 97138. You can also use the "donate" button "Seaside Chamber of Commerce" Facebook page, or call 503-738-6391 to use credit card.

Levels that include name on street banner, must be returned by June 9, 2014.

Thank you for your support, last year donations did not cover the cost of the show and reserve funds were used. Your donations this year will help ensure the show can continue at its current level.
