CONVENTION CENTER

Greetings! The Convention Center Staff was busy earlier this week hosting the Conservative Baptist Northwest's (CBNW) Annual Enrichment Conference, March 7-9, 2016. The CBNW is an association of conservative Baptists from Alaska, Idaho, Oregon, and Washington. The weather put a damper on some of the outdoor activities the group had planned. However, our operations personnel helped rearrange furniture in the Pacific Room on Tuesday afternoon so people could roller skate inside, which seemed to be a fun substitute. The CBNW is a longstanding client at the center, and the event ran smoothly overall.

The Convention Center is scheduled to host the 52nd annual Dorchester Conference March 11-13, 2016. The Republican Group is touted as America's oldest annual political conference – convenes. Tucker Carlson, the anchor of Fox and Friends Weekend and editor-in-chief of The Daily Caller, is the 2016 keynote speaker. The group also plans to have roundtable discussions about gun owner culpability, and the effect of a third party and management of Oregon's public lands. The event requires registration.

LIBRARY

Spring is upon us, and The Friends of the Seaside Library want to help you learn all about container gardening, with Maggie Stuckey, author of "The Bountiful Container. The event will take place in the Community Room on March 12, 2016 at 1:00 p.m. With few exceptions—such as corn and pumpkins—everything edible that's grown in a traditional garden can be raised in a container. And with only one exception, watering, container gardening is a whole lot easier. Maggie Stuckey will begin with the down to earth basics of soil, sun, water, seeds and propagation and give us a complete plant by plant guide for growing beautiful veggies and flowers.

You've heard of Name That Tune, right? Well teens will be competing in the Name That Book competition at Teen Tuesday, on March 15, 2016, at 3:30 p.m. The comp will be fast and furious with the winners receiving a large helping of kudos as well as some delicious goodies.

The library and The North Coast Land Conservancy will be hosting local naturalist, and photographer, Neal Maine, on Wednesday, March 16, 2016, at 6:00 p.m. Join Neal for a conversation in words and images about the rainforest native to our coast titled "How to See A Rainforest."
