The warning will begin with three beeps and consist of a voice message stating, "This is a test. This is a test of the emergency warning system. This is only a test." The message will be broadcast in English and Spanish.

This test will be conducted the first Wednesday of each month through May 2015.

CONVENTION CENTER

Rich Russell and Terry Andrus with Russell Construction are building a new charging station in the back lobby of the convention center. This will allow our attendees to charge their portable devices while enjoying a cup of coffee or just relaxing between sessions.

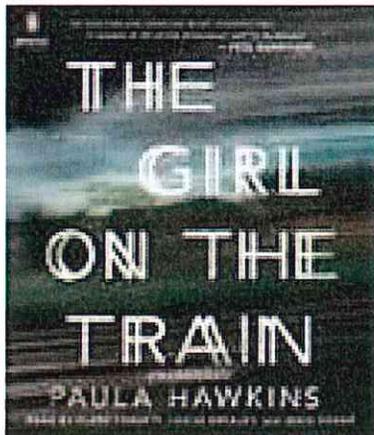

LIBRARY

The “Nature Photography Exhibit”, by local artist Sue Olson, is on display through April 28, 2015. Her amazing work chronicles the beauty of our North Coast. My favorite is the picture of the Pelican whose beak pouch is full of fish, while overhead a seagull is hovering just above it trying to steal his dinner. Great shot.

Can't take your preschoolers to the tropics this Spring Break? Then you should drop in to our Tropical Preschool Story Time extravaganza on Wednesday, April 1, 2015 at 10:00 a.m. Don Ho will be singing, 100 hula dancers will be swaying, dual rainbows will cascade over the entire library, and Hawaii 5-O will be providing security. April Fools on the last part, but it will be a fun time for kids and their families.

If you're looking for a great book to keep you company this Spring Break, then try the new hot read of the month “The Girl on the Train.” This down-the-rabbit-hole thriller is filled with voyeuristic yearning, as well as movie noir and novelistic trickery. Ummmmmmmm it's Hitchcockian.
