LIBRARY

Have your kids seen any Water Buffalo's recently? If not, they should sign-up for our Winter Reading Program and read for a Water Buffalo. We have teamed up with Heifer International to donate said bison to a family in Southeast Asia, and kids can participate by simply reading. Our goal is a total of 1000 hours read by children of all ages and that will translate to about \$250.00 to purchase the beast. Families in Asia use these animals for farming and rice paddy work as well as for milk and cheese. They do not eat them. As a bonus this year, adults can also join in the program and make reading and giving a family affair.

Teen Tuesday is canceled—Oh what will they do?—Preschoolers on holiday boo, hoo, hoo, hoo—The babies won't crawl around sing songs or cry—It's Thanksgiving week if you want to know why. Preschool Story Time, Teen Tuesday, and Baby Story Time are on hiatus for the week due to the delicious turkey related holiday.

SOUTH COUNTY COMMUNITY FOOD BANK

Dear Community Supporter

Imagine our community without HUNGER! We can and we believe you can too! Please join our community wide effort to replace our food pantry building and establish a sustainable community based funding source for our essential services.

For over 30 years the South County Community Food Bank has faithfully served our most vulnerable members. Currently, with the help of 70 volunteers we handle over 250,000 lbs. of food and serve over 12,000 children, parents, adults and seniors annually, all for the cause of helping to eradicate the hunger our neighbor's are experiencing.

Through the generosity of the Seaside Moose and hundreds of volunteers we have been able to serve our community, however, the Moose building has been sold and our building demolished. Knowing this was coming, the Board and other volunteers worked hard to secure land and a building to replace our food pantry. The Bank of the Pacific was generous in the sales price of a good piece of land, north of the school district's bus barn, and the School District stepped forward with the donation of the portable classrooms from the closure of Cannon Beach Elementary School. Again the Bank of the Pacific made available a temporary site, the CRM building just south of our new location, free of rent during our transition period.

The total project is just over \$300,000. To date we have been able to secure pledges of \$110,000 in "in-kind" services and donations and raised \$65,000 cash. Smiles! That gives us a goal of \$125,000 to complete this most important project. We are writing grants and asking our community to be part of the solution. Not just make a donation but become engaged and be active in creating an environment that will eliminate hunger in our community.

Volunteer, host an event, go to an event, BE an event, make a donation or include a bequest in your will and leave a lasting legacy. Let your imagination go...invest your precious time, talents and treasure.

We will recognize everybody's contribution and do it through art. Bill Lutz will do a mural at our new location. Check out our Imagine Tree for ways you can get involved.

Mail in your ideas and donations to P O Box, 602, Seaside, Oregon 97138. Drop by our interim facility at 1725 N. Roosevelt Drive or call 503-738-9800.

From the Board of Directors, we are sincerely grateful to you and our entire community!
