LIBRARY

The library is always trying to make our collection interesting to folks of varying tastes and interests. We walk a tightrope between the sustenance of great literature and the fast food of pop culture. In that vein we have two disparate offerings for your perusal. Our new set of "The Great Courses" is an all-encompassing look at "The Wisdom of History", "Daily Life in the Ancient World", "Origins of Great Civilizations", and "Existentialism and the Meaning of Life", to name just a few. These lectures, in audio and video format, bring university level learning to all. At the other end of the spectrum is "Sharknado". A disaster film about a waterspout that lifts sharks out of the ocean and deposits them in Los Angeles with tragic results. Variety is the spice of life, and the library is very spicy indeed.

The Teen Halloween Costume Contest is blowing up on Tuesday, October 28, 2014 at 3:30 p.m. Revelers will bob for donuts, turn themselves into toilet paper mummies, manipulate the gross factor, and of course show off their outrageous attire. Prizes will be awarded and a howling good time will be had by all.

POLICE DEPARTMENT

The police department for the past two years has helped with the delivery of backpacks full of food to the elementary school. The food provided is used to assist needy children in having food over the weekend when school provided meals are unavailable to them. Corporal Johannes Korpela, the School Resource Officer (SRO), has volunteered to take over the transport of the food from the Lutheran Church to the elementary school. Thank you SRO Korpela.

Detective Gary Welborn is attending a Basic Detective Academy this week. Although he has been working in this assignment for several months, the training provided will be an asset to him and the department as he investigates the cases assigned to the detective unit.

SOUTH COUNTY COMMUNITY FOOD BANK

Dear Community Supporter

Imagine our community without HUNGER! We can and we believe you can too! Please join our community wide effort to replace our food pantry building and establish a sustainable community based funding source for our essential services.

For over 30 years the South County Community Food Bank has faithfully served our most vulnerable members. Currently, with the help of 70 volunteers we handle over 250,000 lbs. of food and serve over 12,000 children, parents, adults and seniors annually, all for the cause of helping to eradicate the hunger our neighbor's are experiencing.

Through the generosity of the Seaside Moose and hundreds of volunteers we have been able to serve our community, however, the Moose building has been sold and our building demolished. Knowing this was coming, the Board and other volunteers worked hard to secure land and a building to replace our food pantry. The Bank of the Pacific was generous in the sales price of a good piece of land, north of the school district's bus barn, and the School District stepped forward with the donation of the portable classrooms from the closure of Cannon Beach Elementary School. Again the Bank of the Pacific made available a temporary site, the CRM building just south of our new location, free of rent during our transition period.

The total project is just over \$300,000. To date we have been able to secure pledges of \$110,000 in "in-kind" services and donations and raised \$65,000 cash. Smiles! That gives us a goal of \$125,000 to complete this most important project. We are writing grants and asking our community to be part of the solution. Not just make a donation but become engaged and be active in creating an environment that will eliminate hunger in our community.

Volunteer, host an event, go to an event, BE an event, make a donation or include a bequest in your will and leave a lasting legacy. Let your imagination go...invest your precious time, talents and treasure.

We will recognize everybody's contribution and do it through art. Bill Lutz will do a mural at our new location. Check out our Imagine Tree for ways you can get involved.

Mail in your ideas and donations to P O Box, 602, Seaside, Oregon 97138. Drop by our interim facility at 1725 N. Roosevelt Drive or call 503-738-9800.

From the Board of Directors, we are sincerely grateful to you and our entire community! Neal Wallace, Jim and Maureen Casterline, Nicolle Landwehr, Allan Evans, Becky Buck, Chuck Miner, Larry Popkins and Mary Blake, smiles
