CITY HALL

Reminder: Monthly Tsunami Warning System Testing in Seaside

The City of Seaside will test the Tsunami Warning System on Wednesday, October 1, 2014, beginning at 11:00 a.m. This test is conducted to monitor and assess the notification system and will not be used as a public information trial alert. The warning will begin with three beeps and consist of a voice message stating, "This is a test. This is a test of the emergency warning system. This is only a test." The message will be broadcast in English and Spanish.

This test will be conducted the first Wednesday of each month through May 2015.

LIBRARY

Relive your youth at our groovy surfing display in the main foyer of the library. The "Endless Summer" is playing on the video machine so all you gremmies and hodads can travel the world with Bruce Brown and his cadre of blonde, tan, gorgeous surfer dudes. We have lots of great books and DVDs that chart the story of a sport that is integral to our area.

Mark the calendar for September 17, 2014 at 10:00 a.m. because the Miniature Ponies are coming to Preschool Story Time. These lovely little beasts are very friendly and kids will have a great time feeding them carrots and petting their furry faces. One of the steeds has a beautiful mane with blond highlights that would make a Hollywood starlet envious. This event will take place in our parking lot if the sun is out and under our covered walkway if it is raining.

The Writers at Work group is back after a summer hiatus and they will be meeting on September 18, 2014, at 6:00 p.m. They are led by local author Brian Ratty, and will gather on the third Thursday of every month through the end of the year. Budding authors are invited to bring their work for critique, and advice will be available about the labyrinthine process of getting your tome published.

SOUTH COUNTY COMMUNITY FOOD BANK

Dear Community Supporter

Imagine our community without HUNGER! We can and we believe you can too! Please join our community wide effort to replace our food pantry building and establish a sustainable community based funding source for our essential services.

For over 30 years the South County Community Food Bank has faithfully served our most vulnerable members. Currently, with the help of 70 volunteers we handle over 250,000 lbs. of food and serve over 12,000 children, parents, adults and seniors annually, all for the cause of helping to eradicate the hunger our neighbor's are experiencing.

Through the generosity of the Seaside Moose and hundreds of volunteers we have been able to serve our community, however, the Moose building has been sold and our building demolished. Knowing this was coming, the Board and other volunteers worked hard to secure land and a building to replace our food pantry. The Bank of the Pacific was generous in the sales price of a good piece of land, north of the school district's bus barn, and the School District stepped forward with the donation of the portable classrooms from the closure of Cannon Beach Elementary School. Again the Bank of the Pacific made available a temporary site, the CRM building just south of our new location, free of rent during our transition period.

The total project is just over $300,000. To date we have been able to secure pledges of $110,000 in "in-kind" services and donations and raised $65,000 cash. Smiles! That gives us a goal of $125,000 to complete this most important project. We are writing grants and asking our community to be part of the solution. Not just make a donation but become engaged and be active in creating an environment that will eliminate hunger in our community.

Volunteer, host an event, go to an event, BE an event, make a donation or include a bequest in your will and leave a lasting legacy. Let your imagination go...invest your precious time, talents and treasure.

We will recognize everybody's contribution and do it through art. Bill Lutz will do a mural at our new location. Check out our Imagine Tree for ways you can get involved.

Mail in your ideas and donations to P O Box, 602, Seaside, Oregon 97138. Drop by our interim facility at 1725 N. Roosevelt Drive or call 503-738-9800.

From the Board of Directors, we are sincerely grateful to you and our entire community!
Neal Wallace, Jim and Maureen Casterline, Nicolle Landwehr, Allan Evans, Becky Buck, Chuck Miner, Larry Popkins and Mary Blake, smiles
