

Seaside Municipal Airport (56S)
2797 US 101
Seaside, OR. 97138
(503) 738-5112

DRONE FLIGHT AUTHORIZATION

- Register your Aircraft @ www.faa.gov/uas/registration

Flying your UAS (Drone) within 5 miles of the Seaside Municipal Airport

- Contact your local Airport @ (503) 738-5112

What we need from you when you call the Airport for notification:

- Where you will be operating (address or latitude/longitude)
- The altitudes at which you will be flying (below 400 feet above ground level)
- What type of flying activity you will be doing
- The number of aircraft and a basic description of the aircraft
- When you will be flying and for how long
- Your name and a method of contacting you such as a cell phone number

Inspect your Drone for any damage before flying

You are officially a Pilot, safety is in your hands

Maintain your Pilot Safety Record by following the rules

- Fly at or below 400 feet
- Keep your UAS (Drone) within sight
- Never fly near other aircraft, especially near airports
- Never fly over groups of people
- Never fly over the Promenade, homes, hotels, or beach events
- Never fly near emergency response efforts
- Never fly under the influence
- Be aware of airspace requirements

Download the App **B4UFLY** for additional information.
